

# COLECCIÓN CANAL

·Curado·  
100% raw goat's milk

*Colección Canal mature goat's cheese is characterised by its essential ingredient; raw milk. It has a pleasant aroma that reminds us of the exquisite cheese making process and transports us to a place where cheese is made the artisan way, taking time to achieve the perfect maturing process.*

**MADE FROM:** 100% raw goat's milk.

**MATURING STAGE:** minimum 4 months.

**RECOMMENDATIONS FOR SERVING:** Goat's cheese is an excellent and flavoursome food that offers significant health benefits because it is low in fat and rich in calcium, protein and vitamins. Being a very creamy cheese, it is ideal for a great variety of dishes and recipes.
